Maine Family Lobster Bake on Peaks Island

Since we are in Maine, for the U7 NEMO Family Dinner we of course had to fit in a Downeast Lobster Bake. Take the Casco Bay Lines ferry to Peaks Island for a traditional Lobster Bake at the Historical 5th Maine Regiment Hall. The food will be great, even if you are a vegetarian or just hate lobster (chicken and vegetarian burgers will also be served). The views will be spectacular. But the comradery with your fellow agents will make it a conference highlight. Don't miss it!

- Ferry leaves at 5:30 PM or 7:15 PM
- 15 minute walk from the Peaks Island ferry dock. Please let us know if you require assistance.
- Non-lobster food options available, cash bar.
