This *Duluth Eats: A Guide to Duluth's Finest Cuisine* has been designed to make finding a restaurant easy and enjoyable for you. For each establishment you will find their street address and contact number. A Duluth Stamp will be under the restaurant information if it is a Duluth original creation. Plus symbols indicate restaurants that deliver, and asterisks indicate restaurants within walking distances from your hotel. A fish icon will denote a Minnesota Sea Grant staff recommendation from us to you! We sincerely hope enjoy the good eats in Duluth during your stay.

About Us

With nearly 12,000 lakes and a coast on the world's largest body of fresh water, Minnesota possesses a bounty of aquatic and coastal resources. Through scientific research and public education, Minnesota Sea Grant works to enhance Minnesota's coastal environment and economy.

Our Strategy

- Convey the needs of communities, industries, and management agencies to university scientists
- Promote the best and most current science regarding Lake Superior and inland lakes to resource users, managers, and policy-makers

Our Vision

Citizens who use a science-based understanding of the environment to address issues concerning Lake Superior and Minnesota's aquatic resources and associated economies.

Our Mission

To facilitate interaction among the public and scientists to enhance communities, the environment and economies along Lake Superior and Minnesota's inland waters by identifying information needs, fostering research, and communicating results.
